Jacinta Garcia Hernandez

...those who can give without remembering and receive without forgetting.

"Do not cast me away when I am old; do not forsake me when my strength is gone." Psalm 71:9 (NIV)

Jacinta Garcia Hernandez was born on September 11, 1961. She is a native of San Agustin Loxicha, Pochutla, Oaxaca, Mexico. She had polio when she was 8 years old, so she uses a wheelchair. In March 1990 she came to Casa Hogar Benito Juarez, located in San Agustin de las Juntas, Oaxaca, Mexico. For 26 years she has volunteered full time performing different duties in Casa Hogar.

Currently, she is 55 years old and has **AORTIC VALVULAR HEART** disease with post polio syndrome; and needs a valve implant operation to place a valve in her heart.

The expenses of the operation and hospitalization are \$ 8,170.00 (eight thousand, one hundred and seventy dollars)

Neither she nor the Casa Hogar have the money to pay for the operation. So we trust that God can touch your heart to revive the heart of "Jaci". We are asking for your support in any of the following ways:

- * You can pray for your Jaci.
- * You can donate to the costs of hospitalization, surgery and medication.
- * You can write a note to jaci.

If you want to make a monetary donation, you can make a "deposit mentioning that is referenced to Jaci" to the account:

Life Church P.O. Box 338,
